IT'S ALL

A MESSAGE FROM THE PRESIDENT

Dear Class of 2018:

Congratulations - you made it! All your dedication and hard work have led to the much-anticipated moment when you graduate from Montclair State University. I join your family, friends and professors in applauding all you have accomplished in reaching this major milestone.

As you walk through Red Hawk country before you graduate, take a moment to look around. You'll see a campus that has been dramatically transformed during your time here. Your class is among the first to have enjoyed the opportunity to learn, research and create in new state-of-the-art science, business and multimedia production facilities - and pursue new programs under the direction of our world-class faculty.

You are also making history as the first Montclair State class to graduate from what is now a nationally and state-designated research doctoral university. That recognition, along with many others, will enhance the value of your degree wherever your future leads.

All of us at Montclair State University have shared a passionate dedication to supporting your educational goals. We are honored to have helped prepare you for meeting the exciting challenges and opportunities that lie on the road ahead. We wait with great confidence in you to see what you will accomplish.

Please stay in touch with us and connect with the powerful, welcoming network of more than 110,000 Red Hawk alumni ready to serve as lifelong friends, mentors and professional contacts.

Go forth with Red Hawk pride and seize the day!

Susan A. Cole
President

Dr. Karen L. Pennington

Vice President for Student Development and Campus Life

Dear Class of 2018,

I am delighted to congratulate you and all graduates at Montclair State University on your singular and collective accomplishments at our University. Together with your peers and the dedicated faculty and staff here to guide and support your education, you have learned, grown, and engaged in thought, dialogue and action. During your time here, you have nourished the inner landscape of your minds and built deep and enduring connections through your relationships. Your presence within our ever increasing and richly diverse body of students has contributed to the vitality and vibrancy of our collegiate environment. I am heartened by the knowledge that each of you is forever woven into the history and fabric of our institution.

As a student at Montclair State University, you have been part of our institution during its most dynamic period of change and expansion. You are a member of our largest student body ever -- a lively group characterized by greatly varied nationalities, religious denominations, social and economic backgrounds, different orientations and political points of view. Since your arrival, you have witnessed the transformation of the educational environment with the completion and opening of three tremendous new state of the art facilities for learning – the Center for Environmental and Life Sciences, the Feliciano School of Business, and the Communications and Media Studies building.

As you look back on all that has transpired over the past four years, I hope that you take with you a recognition that with effort and commitment you are capable of bringing your greatest visions to life and the confidence to know that your college degree and experiences have equipped you to step forth boldly into the world to seek new adventures. You are equipped to make a positive difference in the world.

Congratulations on all the years of study and hard work that have resulted in your graduation from Montclair State University. This is an accomplishment shared by a small percentage of the population; cherish your success. Be sure to aim high. Choose compassion over complacency. Prize courage over comfort. Use your imagination, ingenuity and audacity to explore, discover and change a world undergoing ceaseless and kaleidoscopic challenges. Become an engaged and responsible citizen. Be a mentor and trusted friend. Embark on new adventures and continue to grow as an educated, ethical and caring person.

You always will be part of the Montclair State University family. Please come back and visit us often.

Margaree Coleman-Carter

Dean of Students

Dear Red Hawk Graduates,

As we walk through Red Hawk Country, we can observe the fledging's wavering attempts at flight. The amazing determination to master its environment, purpose and destiny is demonstrated in each attempt to succeed. As the fledgling continues to pursue its purpose, it also builds the strength for flight. We are inspired by its growth and soon rejoice as we witness the magnificence of its ability to soar. It has gained skill, knowledge and also wisdom in knowing when to glide the currents of the thermals.

We have observed the beginning awkward moments of our Red Hawks and we are cognizant of the fact that they have grown in skill, persistence, and strength. As they quicken their wings, they become committed to the task at hand and find empowerment with each attempt. They continue to define their purpose with optimism and enthusiasm. The Red Hawk's keen eyes uncover opportunities and seizes them with their strong talons. The strength of the Red Hawk's wings provides shelter to those in need of protection.

A Red Hawk grows in spirit, presence and purpose and wherever they fly, they contribute to their community and the world.

To experience "A Walk Through Red Hawk Country," may require one to change their perspective to a higher viewing point which elevates ideals, soars the spirit and brings to fruition a life of good works and success.

Congratulations to all of our Red Hawks on their graduation!

Dear Class of 2018,

As I stare at my computer screen, I find myself at a loss attempting to write this farewell address. How does one capture all of the memories, emotions, the laughing, the crying, and the Red Hawk experience all in one letter? Struggling with how to begin, I did what most of us do in situations like this, I googled it. However that itself opened a whole other can of worms. Now I sit here wondering "Do I go with the standard 'Webster's dictionary defines', or maybe start with a small anecdote, or break glass in case of emergency; tastefully plagiarize someone else's letter?".

In the end, while all of these approaches were wonderful options I decided to speak from the heart.

First, allow me to applaud your efforts and congratulate you on a job well done. Though this journey was not an easy one, you have been able to triumph over every obstacle in your path, and you are stronger for it.

Some of you will continue your education working towards Masters and Doctorates. Some will have joined the workforce setting out to be a titan of industry, others will innovate and captivate with the arts. No matter the trade, I have no doubt in my mind that you will all excel head and shoulders above the competition. Why? Because we are Red Hawks. Soaring above all others, flying higher and higher towards new horizons is in our very nature.

Robin Williams once said, "You're only given a little spark of madness. You mustn't lose it." No matter what path you choose to travel, never lose sight of who you are. Your thoughts, feelings, decisions, and experiences have brought you all thus far. Trust those instincts! Individualism is what makes us all unique. So with that being said keep being you, and unapologetically so! I have had the distinct honor and privilege of serving as your President of Student Government, and based on the character, virtue, and dedication of this year's seniors (or rather senYERRR!!), I am humbled to be a part of the graduating class of 2018.

Personally I do not believe in goodbyes, so friends, until I see you again, continue to seize the day!

Carpe Diem,
Yousef M. Al-Khudairi

Yousef M. Al-Khudairi
SGA PRESIDENT

Fun fact: Did you know that a pack of Red Hawks is called a kettle? If you didn't like the letter at the very least you can say you learned something new.

Dear Fellow Graduates of the Class of 2018 at Montclair State University.

I would like to first congratulate you on all of your accomplishments thus far. We have made it through our time as undergraduate students and now it is time to enter the workforce. I wish you all the best of luck in all of your future careers, goals, and aspirations.

It has been an honor serving you as your representative on the Board of Trustees. The university has helped us grow and I look forward to seeing how it helps change the lives of future students.

We as future alumni of this university must continue to be active and pay it forward.

Best Wishes
Hasani K. Council
Student Representatives
Board of Trustees

BOARD OF TRUSTEES

ALMA MATER SONG

Beneath the Jersey skies so blue, in Montclair's mountain town, there stands our College, tried and true and growing in renown. / We love thy campus, love thy halls, and oft to thee we raise, with loyal lips and loyal hearts, united songs of praise.

All hail to thee Montclair, to thee our voices raise. / Alma mater, dear Montclair, our undying hymn of praise.

We love thy colors, dear Montclair, the scarlet and the white; may they forever help us dare to choose and do the right. / And tho' in after years out fate may lead us far apart, nor time nor space may separate the ties that bind our heart.

All hail to thee Montclair, to thee our voices raise. / Alma mater, dear Montclair, our undying hymn of praise.

FELICIANO
SCHOOL OF BUSINESS

"Students emerge from our programs poised and ready to transform into the business leaders of tomorrow."

SCHOOL OF *Business*

The Feliciano School of Business prepares students to excel when they enter into the professional workforce. Our expert faculty fosters an environment where rigorous academic study is combined with top tier internships providing students a competitive edge after graduation. Students emerge from our programs poised and ready to transform into the business leaders of tomorrow.

DEAN GREG CANT

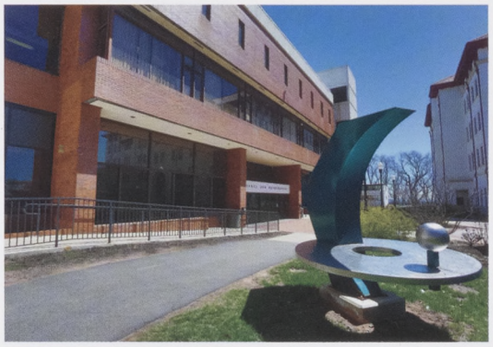
COLLEGE OF

Science and Mathematics

In the College of Science and Mathematics, we urge our students to focus on discovery, innovation, and creativity as they learn about the world around them. Most importantly, our students keep asking questions. We are proud of our College of Science and Mathematics graduates, who so energetically pursued original scholarship, internships, and co-op programs. They understand that education does not only happen in the four walls of a classroom. It is the culmination of experiences in striving to be problem solvers and global citizens. These graduates are now emerging to take new, exciting paths with the tools to succeed. Whether heading for a career in research or teaching, medicine or technology, we know our College of Science and Mathematics graduates fully appreciate the value of discovery and the need to question, educate, and continue their learning. We are confident that they will help positively transform our collective futures as they become tomorrow's innovation leaders. Congratulations to our newest College of Science and Mathematics alumni!

"They understand that education does not only happen in the walls of the classroom."

DEAN LORA BILLINGS



SCHOOL OF
COMMUNICATION AND MEDIA

"CART is a dynamic and versatile environment where students design and flourish."

COLLEGE OF *The Arts*

The College of the Arts (CART) is a dynamic and versatile environment where students design and flourish with some of the finest artist-teachers in the New York metropolitan area. Our faculty includes working composers, designers, fine artists, actors, musicians, directors, choreographers, conductors, broadcasters and communication specialists, including Fulbright, Guggenheim and Howard award winners. Thus, the college maintains a commitment to quality programs, providing professional training and education for students seeking careers as practitioners, educators, public servants and managers of the arts.

DEAN DANIEL A. GURSKIS

COLLEGE OF

Education and Human Services

In the College of Education and Human Services (CEHS), we are continuously working to create a healthier, better educated, more just society. This important mission unites all of us as we work within and beyond CEHS to make a difference in the lives of children, families and communities. CEHS students study teaching, special and inclusive education, family and child studies, public health, nutrition, dietetics, food management, food science, counseling, educational leadership in K-12 schools and higher education institutions, athletic training, exercise science, literacy education, early childhood mental health, and student assessment. Our students complete strong academic programs that are continuously refined and updated to prepare graduates for employment and leadership in today's demanding, selective workplaces. We are proud of the highly professional, knowledgeable, and committed students and graduates of our programs.

"We are proud of the highly professional, knowledgeable, and committed students and graduates of our programs."

DEAN TAMARA LUCAS

Araceli Pintle
Health Educator

"We've seen you push yourself, demonstrating a level of tenacity and determination that will help you overcome any obstacles in your path. "

COLLEGE OF

Humanities and Social Sciences

Congratulations on your accomplishments. On graduation day, we'll celebrate your success in pursuing your goals with rigor and passion. You've asked questions and found answers on topics central to your disciplines. We've seen you push yourself, demonstrating a level of tenacity and determination that will help you overcome any obstacles in your path.

In your CHSS studies, you've also honed core transferable skills – in writing, critical thinking, creative adaptation, and more – to meet the needs of our ever-changing world.

I know that you will continue to take advantage of all that life has to offer. Keep in touch, as we look forward to hearing of your successes.

DEAN ROBERT S. FRIEDMAN

SCHOOL OF *Nursing*

Only two years have passed since Nursing joined the Montclair State University community. Administration, staff, and faculty made us feel welcome as we learned to navigate the campus. On behalf of School of Nursing faculty and staff, I would like to express appreciation to the registered nurses who became "the inaugural RN to BSN class." These individualistic, resilient, determined, risk takers, shared their diverse academic experiences and clinical expertise with the faculty. Faculty and students focused on building a program that addressed the challenges faced by registered nurses in today's complex evolving health care system.
Congratulations and best wishes to the inaugural School of Nursing BSN graduates.

"What a great time to be graduating with a degree in one of our College of Science and Mathematic's disciplines."

DEAN JANICE SMOLOWITZ

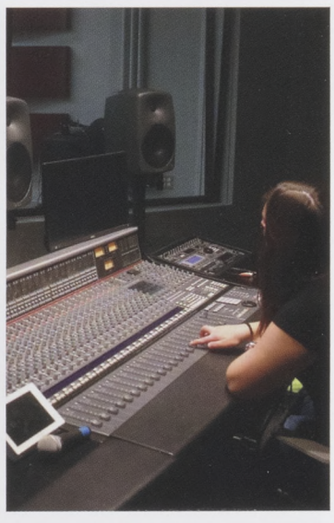
STUDENT LIFE

Residence Life

The office of Residence Life, in collaboration with other key University resources, is committed to providing a quality residential experience through our facilities, administration, counseling, dining services, and developmental programs that are engaging and beneficial to our residents' academic success, safety, and personal growth.

CAUGHT ON CAMPUS *candids*



WMSC-FM features a variety of programming including alternative music, news, sports, talk and special features. It is operated largely by University students with support from the School of Communication and Media's professional staff. The station broadcasts locally at 90.3 MHz and worldwide via www.wmscradio.com. Students in the School of Communication and Media are especially encouraged to become involved with WMSC to gain hands-on experience with radio broadcasting and streaming as communication mediums.

WMSC 90.3

THE MONTCLARION
Accepted But Not Assisted
Disabled students address how to improve accessibility on campus
Montclair State Lacrosse Takes the Win, But at a Cost

Montclarion

Since its founding in 1928, The Montclarion has been a news source dedicated to reporting and publishing stories integral to the interests of the Montclair State University campus community and the surrounding area. As an independent student media source, it continues to cover issues relating to campus life and higher education both online and in print.

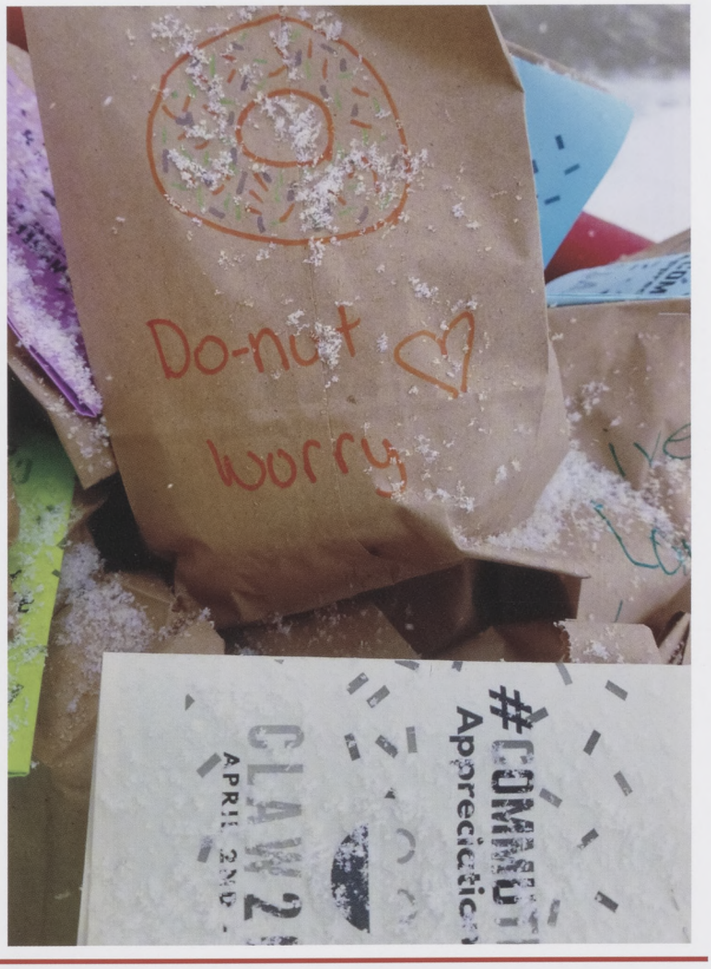
RecBoard

RecBoard strives to be a fun, engaging and diverse student organization by providing our members with a safe, inclusive environment. We enhance the student experience by offering opportunities for individuals to create new friendships, grow personally, develop leadership skills and serve our community. Furthermore, the RecBoard strives to be an integral part of the collegiate experience and responsive to the needs and desires of an ever-changing campus population. We work to create an environment where everyone is treated with dignity, acceptance and mutual respect.

Center for Student Involvement

Getting involved on campus is one of the quickest ways to become part of the university community and create your own Montclair State experience. The Center for Student Involvement offers opportunities for leadership and participation in student-initiated projects and student organizations. The experiences which students personally gain through participation in co-curricular activities help them meet friends, clarify values, apply classroom learning, gain a sense of accomplishment, develop role models, and learn to work cooperatively with others.

CAUGHT ON CAMPUS *candids*



The Office of Commuter Life strives to create a strong community amoungst the commuter students at Montclair State University by helping them connect with the campus. Through our strategic, fun, social, and educational programming we host events with commuters in mind. The Office of Commuter Life is also dedicated to providing a wealth of resources relative to parking, commuter life, transit info and campus opportunities. We are also advocates for commuter issues and concerns.

Commuter Life

CAUGHT ON CAMPUS candids

SLAM

Student Life at Montclair (SLAM) is the Programming Board for the Student Government Association, Inc. This student run group aims to organize awesome, large scale and annual events for the campus community. Together SLAM strives to bring the campus community together by providing these fun, free events for the student body.

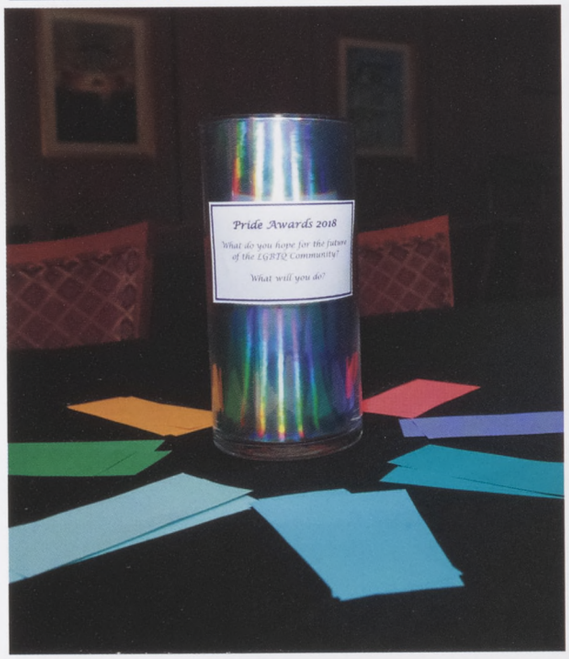
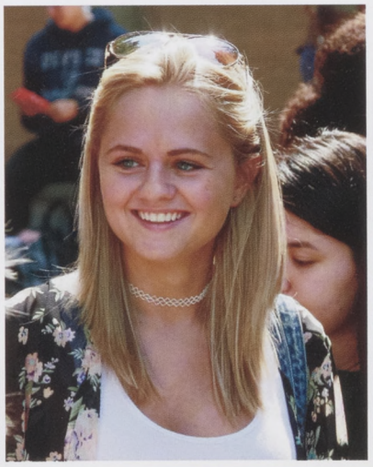
LGBTQ Center

The Lesbian, Gay, Bisexual, Transgender, Queer (LGBTQ) Center seeks to create an open, accepting, and affirming atmosphere for LGBTQ+ individuals at Montclair State University. Since 2009 has been striving to create a campus environment inclusive and supportive of sexual orientation, gender identity, and gender expression through collaboration with campus partners and student organizations, education and training initiatives, advocacy, and support services.



CAUGHT ON CAMPUS *candids*



Health Promotion provides education, outreach and advocacy to enhance the health of all students, faculty and staff. This is accomplished through advances in health promotion theory and research, excellence in health education practices and the promotion of public policies conducive to health.

Office of Health Promotion

CAUGHT ON CAMPUS candids

Bonner Leaders

Inspired by Ernest Boyer's vision of an engaged university, the Center for Community Engagement (CCE) at Montclair State University strives to give concrete expression to the University's broader community engagement mission by marshalling its teaching/learning, research, and applied service resources to address critical issues facing local communities. Faculty, students, administrators, and alumni affiliated with CCE collaborate with community partners so that learning and research are transformed and grounded in human caring and experience while contributing to the growth of healthy and vibrant communities. CCE is committed to the development of an engaged university predicated on experiential learning and applied research that leads to knowledge generation.

Admissions Ambassadors

An elite group of students whose goal is to provide the best possible experience to guests while visiting the Montclair state campus the Admissions Ambassadors play a major part in the University's efforts to recruit a diverse student body which benefits from the comprehensive undergraduate curricula and rich campus life community.

Emergency Medical Services

Montclair State University EMS is operated by volunteer students, faculty, and staff. We provide 24 hour coverage throughout the year. In addition we participate in campus events and promote community awareness and support. Montclair State University EMS is also the official stadium medical provider for Yogi Berra Stadium during all New Jersey Jackals Games and special events.

CAUGHT ON CAMPUS *candids*

The University Police Department is an autonomous, fully certified and operational law enforcement agency that serves New Jersey's second largest and fastest growing university. The MSU PD is charged with the enforcement of all state and local laws, as well as university rules and regulations. The MSU PD is also responsible for the implementation of programs and services designed to promote public safety, crime prevention and community awareness.

Proud of Our Greeks

On Montclair State University's campus, there are 44 Greek organizations with over 3,000 students involved. Greek Life at Montclair State University promotes scholarship, leadership, community service, social life, athletics, and alumni involvement. Because of what our Greeks do for the campus through these aspects of college life, we are proud to have such an active and involved community. Greek Life remains one of the deepest traditions at Montclair State University, and our Greek community is known as a home to many of our student leaders.

Yearbook Staff 2017-2018

EDITOR IN CHIEF: KELLY SZCZERKOWSKI

Class of 2018,

Congratulations on one of the biggest milestones in your lifetime. This accomplishment will help you succeed in your big and bright future. I hope you take this yearbook and look back on it and all the amazing memories and experiences you have had throughout your journey at Montclair State University. I wish you all the best of luck in your future endevors and remember, you can achieve anything you set your mind to. Congratulations and Carpe Diem!

Kelly Szczerkowski
